Attachment: Replacement Sheet (**Appendix A**)

REMARKS/ARGUMENTS

I. Drawings:

The Office Action dated November 21, 2005 objected to Fig. 9 for the label "CD3" instead of " α CD3" above the right panel (*see*, Office Action, page 2, second paragraph).

Fig. 9 has been amended to make the requested correction (*see*, Appendix A).

In the Office Communication dated January 31, 2006, it was stated that the amended drawing submitted on January 19, 2006 failed to meet the requirements of 37 C.F.R. § 1.121(d), because the replacement drawing was not labeled "Replacement Sheet." Applicants note that the instant drawing is labeled "Replacement Sheet" and is in compliance with 37 C.F.R. § 1.121(d).

Accordingly, the grounds for this objection have been overcome.

II. Clarification Regarding Interview Summary:

The Interview Summary mailed on January 31, 2006 by the U.S. Patent and Trademark Office notes that the participants at the Interview conducted on January 13, 2006 were: Examiners Leavitt and Nguyen, and Rochel [sic] Capobianco.

This is incorrect.

The participants at the telephonic Examiner's Interview conducted on January 31, 2006 were: Examiners Leavitt and Nguyen, and Applicants' representatives, Colleen Superko and Joseph Koipally, as stated in the Response dated January 19, 2006.
